Subcontract No. 00000001 JUDY C HARP COMPANY INC

The Department of Highways records indicate the proposed subcontractor is a currently approved qualified contractor with the Department. Further, it has been determined that the total amount proposed for subcontracting to date is less than 70% of the total amount of original contract; therefore, it meets the approval of the Department of Highways for JUDY C HARP COMPANY INC to subcontract the listed items of work to NORTH STAR PAINTING COMPANY INC.

This approval is given with the definite understanding that all conditions relating to the Specifications, plans, proposal and instructions governing this contract are to be fully complied with by the subcontractor; further, the prime contractor's responsibility is in no way relieved or diminished as a result of this approval. Also, the prime contractor or a representative of his basic organization as general superintendent shall be on the project at all times when construction is in progress to receive and carry out such instructions as the Engineer may give.

This approval is contingent upon the subcontractor fully complying with the keeping in Kentucky, until released by the Department of Highways, completed and accurate records not limited to, but including, daily time books, payrolls, cancelled checks, invoices, etc., readily available for inspection by representatives of the Kentucky Department of Highways at any reasonable time.

Further, the prime contractor is to submit or require the above subcontractor to submit for ALL FEDERAL PROJECTS the following forms:

Certified Transcript of Weekly Payroll, Form TC 14-308 and Form WH 348 must accompany each weekly payroll.

We received and have in our files a certificate indicating current public liability insurance with American Casualty with an expiration date of 05/28/05 as coverage of operations to be performed by JUDY C HARP COMPANY INC in which is satisfactory.

A copy of this letter is being sent to the prime contractor and subcontractor in order that they may be familiar with the requirements to be met by an approved subcontractor.
